ENTERTAINMENT PROCEDURES & POLICIES

PROCEDURES:

- **START PLANNING YOUR FUN!!!** Let your event coordinator know what ideas you are planning for entertainment extras. We can offer suggestions and best items to pair together to make the most of your event.
- **RESERVE THE ENTERTAINMENT:**
 - All entertainment should be finalized 4 weeks prior to your event. You must confirm the entertainment & times listed on the event proposal before we can make any reservations with the vendor(s).
 - Once you confirm, we will contact the vendor(s) and book the entertainment.
 - The Vendors will confirm your reservation with us and we will send you a Vendor.Client Service Confirmation for verification.
- **PAYING FOR ENTERTAINMENT:** The Vendor.Client Service Confirmation is to be used as a type of invoice to pay the vendor(s) directly, by check, on the day of the event. In some cases, payment may be made by credit card, but you must contact the vendor at least 5 days prior to the event to make arrangements. Along with the confirmation, you will also receive a W-9 for each vendor you have secured.

.....

VENDOR POLICIES:

- **RESPONSIBILITY:** Once the reservation is confirmed both parties, Vendor and Client, are responsible for services and payment.
- **SERVICE TIME:** The vendor will arrive at designated time to perform services that has been prearranged with an allotted time schedule.
- **EQUIPMENT ITEMS:** The vendor will bring the necessary equipment/supplies that are included for their services.
- **WEATHER POLICY:**
 - Just like J.R.'s, our preferred vendors are also Rain or Shine.
 - Depending on the weather condition, the vendor, and the service reserved, prior arrangements may be made to alter the entertainment choices to best suit the client & vendor.
 - Some items may be switched for comparable "undercover/indoor" options if available. These potential alterations must be made no less than 72 hours in advance of event date.
 - Once vendor(s) arrive on site, the client is responsible for full payment due.
- **CANCELLATION POLICY:** Varies from each vendor, ranging from 25%-100% fees due in the event of cancellation of services.

The benefit of having TWO scenarios is that when you solve one you can return to try your skill at the other. Your mission is simple: work together as a team, testing your wits and skills, to escape from a locked room (for safety reasons room is never actually locked) within the prescribed time. Scenarios range in length from 5 minutes up to 60 minutes each depending on how difficult you want each challenge to be. While the goal is simple, the game is challenging. Getting through the locked door will require finding clues, solving puzzles, and working together! Perfect for a unique teambuilding experience.
